*(An Autonomous Institution of Ministry of New and Renewable Energy, Government of India)*

**Kapurthala, Punjab-144603**

## ABOUT SSS-NIBE

Sardar Swaran Singh National Institute of Bio-Energy (SSS-NIBE) is an autonomous institution of the Ministry of New and Renewable Energy, Government of India. It is an up-coming R&D Institute with a mandate to carry state-of-the-art R&D and innovations, covering the entire spectrum of bioenergy leading to commercialization of technology and their integration with other renewable energy technologies. The Institute is established on a 75-acre green campus with state-of-the-art infrastructure and R&D facilities. It aims to serve as the Principal Innovation Centre and Centre of Excellence for advanced research, development, and demonstration of biomass related technologies and a repository of knowledge and technology relating to utilization of biomass for bioenergy and bioproducts.

## Industry-Academia Bioenergy Innovation Conclave

### About the Conclave

The Industry–Academia Bioenergy Innovation Conclave is a platform to bring together industry leaders, academic researchers, startups, policymakers, and technology developers to foster collaboration and accelerate innovation in the bioenergy sector. The conclave aims to translate cutting-edge research into scalable, industry-ready solutions supporting India's clean energy transition.

### Objectives
